Jim Davis : Garfield by the Pound: His 22nd Book before purchasing it in order to gauge whether or not it would be worth my time, and all praised Garfield by the Pound: His 22nd Book:

0 of 0 people found the following review helpful. Condition better than expected By Helena L Condition better than expected. It had a minor bent/fold mark on the cover so I was kind of disappointed but it is way better than what I imagined it would be. Book is quite new as well. Thanks. 0 of 0 people found the following review helpful. The Hit By Fortune Teller This book is a really nice book for little kids, boys, girls, etc. My kids enjoy this really much. They sometimes wish Garfield was real (don't you?)! 0 of 0 people found the following review helpful. Still a fan! By Customer I've been a fan for over 30 years and always will be. The eBook versions are much easier to keep than the huge collection of books that cover my bookshelves!

Garfield, the furry food processor, is back for another helping of tastefully outrageous fun! And America's most-famished feline is breaking all records for mealtime mayhem! Whether he's snatching a snooze, drop-kicking the dog, or discovering the joys of a simple tummy scratch, Garfield always knows where his next nibble is coming from. If you're hungry for laughter, you'll eat him up. Pound for pound, there's no funnier cat around!

About the Author Jim Davis was born on July 28, 1945, in Marion, Indiana. He later attended Ball State University in

Muncie, Indiana, where he distinguished himself by earning one of the lowest cumulative grade point averages in the history of the university. (Incidentally, a fellow classmate named David Letterman earned the other). The Garfield strip was born on June 19, 1978, syndicated in forty-one U.S. newspapers. Today it's syndicated in more than 2,100 newspapers worldwide with more than 200 million readers, leading Guinness World Records to name Garfield The Most Widely Syndicated Comic Strip in the World. Davis has had many successes with Garfield, including four Emmy Awards for Outstanding Animated Program and induction into the Licensing Hall of Fame (1998), but his most prized awards are from his peers in the National Cartoonist Society: Best Humor Strip (1981 and 1985), the Elzie Segar Award (1990), and the coveted Reuben Award (1990) for overall excellence in cartooning.
