Although my mom gives me a thirty dollar limit per month but I once got so in love with the series I bought fifteen books and spent 150 dollars.3 of 3 people found the following review helpful. careful there!!!!By helen june hoaglinI was most pleased with how they boxed my purchase. it is a Christmas present so I was really worried about the condition of it. they placed it in a box and then sealed it in and plastic wrapped the rest of my order over the top of it. I was very relieved and happy to see how carefully they put my order together. I will definitely be ordering more from them. ooh I did already!!! I ordered the 57 the book for another Christmas present for the same Garfield fan!!!0 of 0 people found the following review helpful. Five StarsBy D L RobinsonAdorable book, loved it....

About the AuthorJim Davis was born on July 28, 1945, in Marion, Indiana. He later attended Ball State University in

Muncie, Indiana, where he distinguished himself by earning one of the lowest cumulative grade point averages in the history of the university. (Incidentally, a fellow classmate named David Letterman earned the other). The Garfield strip was born on June 19, 1978, syndicated in forty-one U.S. newspapers. Today it's syndicated in more than 2,100 newspapers worldwide with more than 200 million readers, leading Guinness World Records to name Garfield The Most Widely Syndicated Comic Strip in the World. Davis has had many successes with Garfield, including four Emmy Awards for Outstanding Animated Program and induction into the Licensing Hall of Fame (1998), but his most prized awards are from his peers in the National Cartoonist Society: Best Humor Strip (1981 and 1985), the Elzie Segar Award (1990), and the coveted Reuben Award (1990) for overall excellence in cartooning.
