Jim Davis : Garfield Chews the Fat: His 17th Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Garfield Chews the Fat: His 17th Book:

5 of 5 people found the following review helpful. Garfield, tried and true! By L. Millis My son loves Garfield and he went from a student in "reading recovery" at school (that means below grade level) to a student who reads 2-3 grades above his grade level because of his desire to read MORE Garfield than I was willing to read to him at night. Luckily, unlike many book series, this series goes on forever! And Jim Davis, bless his heart, has made it so affordable to collect his books in these fat cat 3-packs (3 books in one cover) and has made it even MORE affordable. Unlike some books made for kids (like Cap'n Underpants, for example) there are no misspelled words as the author tries to mimic what a kid's comic would look like, there is little if any violence like in some comic books, no scantily clad comic character women, no racey themes are statements.... It's just perfect for a kid in elementary school learning to read... and now and then, I'll read a few pages... and grandma loves to steal one, too... so it's just nice for all ages. So glad we stumbled on to these! It's a long-lived interest that has helped him so much! 1 of 1 people found the following review helpful. GARFIELD FAT CAT 3-PACK VOLUME 1 COLLECTIONS EDITION? By Angela Oh My Dear Fat Sarcastic, Non-Empathic Garfield, How You do Make My Son and Me Guffaw with Laughter! I have been purchasing these wonderful FAT CAT 3-PACKS for quite some time. My son is twelve and has been reading Garfield Fat Cat since he was a Tot, and continues reading as a "Tween." For those who don't know, the book comes as one thick book, thus the "3-pack" although to be perfectly honest, that could seem to be a bit misleading. My first purchase many years ago had me thinking I was getting three books. I was very happy when I saw just how thick (a good inch or more) the big soft bound comic strip book was; so, no complaints here. He had asked for Volume 1, but I couldn't understand why it was so expensive at some places and yet hard to find at others. Well, I found GARFIELD FAT CAT 3-PACK VOL 1 here, and decided to buy it used. It arrived in about two weeks in almost perfect/new condition. 2 of 2 people found the following review helpful. Love love love By Carolena Grace Garfield comic strips are the best! From sarcasm, wit, to dry humor, Garfield's adventures pretty much involve sleeping at some point. The Garfield comics have been released in full color which helps a vivid imagination! I own every single book and have turned this into a treasured collection for my children!

Who's back in the limelight again? It's Garfield! Leading the world in most naps snoozed per year, perfecting the art of eating without coming up for air, and discovering that dessert is the most important meal of the day. Garfield's back, and we've got him right where we want him!

From the PublisherIt's in this book that Garfield celebrates his 10th birthday! Ten years of laughing with the cat who can make us chuckle the most! Poor Garfield doesn't do well with birthdays, unfortunately, so he dreads this one. He does discover the joys of Chinese food, however. He also makes the acquaintance of the "sand person", who dumps a truckload of sand onto Garfield to help him fall asleep. Only Jim Davis can come up with these characters!Katherine ClarkeFrom the Inside FlapWho's back in the limelight again? It's Garfield! Leading the world in most naps snoozed per year, perfecting the art of eating without coming up for air, and discovering that dessert is the most important meal of the day. Garfield's back, and we've got him right where we want him!About the AuthorJim Davis was born on July 28th, 1945 in Marion, IN. He later attended Ball State University in Muncie, IN where he distinguished himself by earning one of the lowest cumulative grade point averages in the history of the university. (Incidentally, a fellow classmate named David Letterman earned the other). The Garfield strip was born on June 19th, 1978, syndicated in 41 US newspapers. Today it's syndicated in more than 2,500 newspapers worldwide with 263 million readers. Recently, Guinness World Records, named GARFIELD "The Most Widely Syndicated Comic Strip in the World."Jim Davis has had many successes with GARFIELD including four Emmy Awards for Outstanding Animated Program and induction into the Licensing Hall of Fame (1998), but his most prized awards are from his peers in the National Cartoonist Society: Best Humor Strip (1981 and 1985), the Elzie Segar Award (1990), and the coveted Reuben Award (1990) for overall excellence in cartooning.
