They enjoy this one tremendously, laughing out loud frequently. I get more enjoyment out of that. 3 of 3 people found the following review helpful. fantastic By Blair Macintyre I LOVED this book! Great work Jim Davis! In this book Jon seems to upset Liz more often, what's up with that? Anyway, this book was really funny and I really enjoyed it. Defo buying more books by him. Easy as Pie When it comes to eating—and entertainment—Garfield is a natural. Every time he opens his pie hole, something fattening goes in, or something funny comes out. Fans of the portly puss can follow his latest antics in this fun-filled new collection of comics.

About the Author Jim Davis was born on July 28, 1945, in Marion, Indiana. He later attended Ball State University in Muncie, Indiana, where he distinguished himself by earning one of the lowest cumulative grade point averages in the

history of the university. (Incidentally, a fellow classmate named David Letterman earned the other). The Garfield strip was born on June 19, 1978, syndicated in forty-one U.S. newspapers. Today it's syndicated in more than 2,100 newspapers worldwide with more than 200 million readers, leading Guinness World Records to name Garfield The Most Widely Syndicated Comic Strip in the World. Davis has had many successes with Garfield, including four Emmy Awards for Outstanding Animated Program and induction into the Licensing Hall of Fame (1998), but his most prized awards are from his peers in the National Cartoonist Society: Best Humor Strip (1981 and 1985), the Elzie Segar Award (1990), and the coveted Reuben Award (1990) for overall excellence in cartooning.
