Do not buy!By Ronda LattaI don't think that you should have to pay 4.99 for the book because it has 3 story's and it has only like about 5 pages each.

A new series based on the top rated new series on Cartoon Network! Jon, Odie, Nermal, Liz and the rest of the gang join Garfield in the first of a new series of Papercutz graphic novels. In "Fish to Fry," the tables turn on Garfield when he is put on trial for his crimes against fishkind specifically eating them out of fish bowls! Also featuring the stories "Family Picture" and "Nice to Nermal."
