It's a pretty good deal considering your getting 3 full books for a few dollars more than the price of one. I wish, however, that I'd ordered them individually! They're super thick awkward to hold. Of course though, the comic itself was great! 1 of 1 people found the following review helpful. My Boys Love ItBy Samantha EwersMy boys 8 and 10 love to read and they do read a lot of different things. But for their fun reading time, not their school assigned reading time they love reading these. My husband had some as a child that they have read over and over so I was looking for some others for variety. As some reviewers have pointed out I am not sure how well the binding will hold up on the long term, especially since they drag them everywhere they go...but for me that is a small issue compared to the joy my boys get from reading these. 1 of 1 people found the following review helpful. 7 year old loves these comicsBy Chad MesserMy 7 year old daughter loves these Garfield Fat Cat 3-packs. She has been spending at least an hour each evening soaking in the lasagna loving cat comics. One item to note is that pack #10, 11 and 12 are slightly less tall books and are in black and white. The others have been in color.

From the Inside Flap THE LORD OF LASAGNA REIGNS SUPREME! There's a lot of action in GARFIELD's life. It just happens to revolve around the refrigerator! So whether he's reviewing the list of things he's not going to do today, testing the first law of physics--"Bodies at rest tend to stay at rest"--or challenging Odie to a do-nothing contest, you can be sure that when mealtime comes, GARFIELD will have all the energy he needs! About the Author Jim Davis was born on July 28, 1945, in Marion, Indiana. He later attended Ball State University in Muncie, Indiana, where he distinguished himself by earning one of the lowest cumulative grade point averages in the history of the university. (Incidentally, a fellow classmate named David Letterman earned the other). The Garfield strip was born on June 19, 1978, syndicated in forty-one U.S. newspapers. Today it's syndicated in more than 2,100 newspapers worldwide with more than 200 million readers, leading Guinness World Records to name Garfield The Most Widely Syndicated Comic Strip in the World. Davis has had many successes with Garfield, including four Emmy Awards for Outstanding Animated Program and induction into the Licensing Hall of Fame (1998), but his most prized awards are from his peers in the National Cartoonist Society: Best Humor Strip (1981 and 1985), the Elzie Segar Award (1990), and the coveted Reuben Award (1990) for overall excellence in cartooning.
