She's been awaiting volume 10 for a while now, since it was just released November 2016. I don't know why volumes 10, 11, 12 are absent from the Fat Cat 3-Pack series. Hopefully 11 12 will come out soon to fit into our collection between volumes 10 and 13.0 of 0 people found the following review helpful. 5 stars By Nathan Venturini Good book 1 of 1 people found the following review helpful. Five Stars By sam 1234 All these Garfield books are amazing, my boys think they are hilarious!

THREE BOOKS IN ONE MEANS THREE TIMES THE FUN! The Lord of Lasagna reigns supreme! There's a lot of action in Garfield's life. It just happens to revolve around the refrigerator! So whether he's reviewing the list of things he's not going to do today, testing the first law of physics—"Bodies at rest tend to stay at rest"—or challenging Odie to a do-nothing contest, you can be sure that when mealtime comes, Garfield will have all the energy he needs! The GARFIELD FAT CAT 3-PACK series collects the GARFIELD comic-strip compilation books in a new, full-color format. Garfield may have gone through a few changes, but one thing has stayed the same: his enormous appetite for food and fun. So enjoy some supersized laughs with the insatiable cat, because too much fun is never enough!

About the Author Jim Davis was born on July 28, 1945, in Marion, Indiana. He later attended Ball State University in Muncie, Indiana, where he distinguished himself by earning one of the lowest cumulative grade point averages in the history of the university. (Incidentally, a fellow classmate named David Letterman earned the other). The Garfield strip was born on June 19, 1978, syndicated in forty-one U.S. newspapers. Today it's syndicated in more than 2,100 newspapers worldwide with more than 200 million readers, leading Guinness World Records to name Garfield The Most Widely Syndicated Comic Strip in the World. Davis has had many successes with Garfield, including four Emmy Awards for Outstanding Animated Program and induction into the Licensing Hall of Fame (1998), but his most prized awards are from his peers in the National Cartoonist Society: Best Humor Strip (1981 and 1985), the Elzie Segar Award (1990), and the coveted Reuben Award (1990) for overall excellence in cartooning.
