Jim Davis : Garfield Fat Cat 3-Pack #17 before purchasing it in order to gage whether or not it would be worth my time, and all praised Garfield Fat Cat 3-Pack #17:

2 of 2 people found the following review helpful. has helped my son finally learn to read! By L. Millis My son is not the most "into school" kid-- and he was really struggling in reading-- Was even in Reading Recovery in first grade (last year) for awhile-- And then he discovered Garfield comic books at the library and fell in love with them!-- and he just tested in the 78percentile (meaning, he reads better than 78 percent of kids in our district for his grade)! He LOVES these books and I've bought him a few of these 3-pack books on (way cheaper than anywhere else!) as gifts for him, just to say "Good job, keep going!" Really, for how thick and colorful the book is-- this is really a nice price. While they (all the Garfield 3-pack books-- which there are many!) are generally paperback, it's a nice sturdy binding and, unlike some of the other books that kids his age tend to be attracted to, I know the words are spelled correctly, the grammar isn't funky-- and there is nothing too racy in it! I say if you can find something that gets your kid reading that meet those criteria-- GRAB IT! 0 of 0 people found the following review helpful. " He does his own cartoons and uses books like this to be an example in his drawings By Tanner Walrand Got this for my son for his birthday. He has said "gee, I want more of these." He does his own cartoons and uses books like this to be an example in his drawings. Very happy when the son is happy. 0 of 0 people found the following review helpful. My son loves these. Garfield book as reading material!

THREE BOOKS IN ONE MEANS THREE TIMES THE FUN! Fat-cat fans, you can bet you're gonna love this trifecta of fun! Because Garfield's back—and he's on the attack! Tormenting Jon and ruining his dates (as if Jon can't do that himself), drop-kicking or duct-taping Odie, eating the neighbor's flowers—and their pet bird!—whacking spiders into the hereafter . . . Garfield will go to any lengths to satisfy his appetite for mischief and mayhem . . . and to entertain his ravenous fans! The **GARFIELD FAT CAT 3-PACK** series collects the **GARFIELD** comic-strip compilation books in a new, full-color format. Garfield may have gone through a few changes, but one thing has stayed the same: his enormous appetite for food and fun. So enjoy some supersized laughs with the insatiable cat, because too much fun is never enough!

About the Author Jim Davis was born on July 28, 1945, in Marion, Indiana. He later attended Ball State University in Muncie, Indiana, where he distinguished himself by earning one of the lowest cumulative grade point averages in the history of the university. (Incidentally, a fellow classmate named David Letterman earned the other). The Garfield strip was born on June 19, 1978, syndicated in forty-one U.S. newspapers. Today it's syndicated in more than 2,100 newspapers worldwide with more than 200 million readers, leading Guinness World Records to name Garfield The Most Widely Syndicated Comic Strip in the World. Davis has had many successes with Garfield, including four Emmy Awards for Outstanding Animated Program and induction into the Licensing Hall of Fame (1998), but his most prized awards are from his peers in the National Cartoonist Society: Best Humor Strip (1981 and 1985), the Elzie Segar Award (1990), and the coveted Reuben Award (1990) for overall excellence in cartooning.
