Millis My son is not the most "into school" kid-- and he was really struggling in reading-- Was even in Reading Recovery in first grade (last year) for awhile-- And then he discovered Garfield comic books at the library and fell in love with them!-- and he just tested in the 78 percentile (meaning, he reads better than 78 percent of kids in our district for his grade)! He LOVES these books and I've bought him a few of these 3-pack books on (way cheaper than anywhere else!) as gifts for him, just to say "Good job, keep going!" Really, for how thick and colorful the book is-- this is really a nice price. While they (all the Garfield 3-pack books-- which there are many!) are generally paperback, it's a nice sturdy binding and, unlike some of the other books that kids his age tend to be attracted to, I know the words are spelled correctly, the grammar isn't funky-- and there is nothing too racy in it! I say if you can find something that gets your kid reading that meet those criteria-- GRAB IT!

He does his own cartoons and uses books like this to be an example in his drawings. Very happy when the son is happy.0 of 0 people found the following review helpful. My son loves these. THREE BOOKS IN ONE A TRIPLE HELPING OF GARFIELD HUMORMEANS THREE TIMES THE FUN!He used to be perfect, but now he's even better! Garfield, the fat cat with the super sized ego, is back in the spotlight, dissing his dimwitted owner Jon – even pilfering his pants. Some cats chase mice; Garfield prefers to take legal action. When down on the farm, the city kitty puts up with-and puts down-Jon and his barnyard brother. No wonder Garfield's often in a bad mood.But no matter what, he's always in the mood for food!The GARFIELD FAT CAT 3-PACK series collects the GARFIELD comic-strip compilation books in a new, full-color format. Garfield may have gone through a few changes, but one thing has stayed the same: his enormous appetite for food and fun. So enjoy some super sized laughs with the insatiable cat, because too much fun is never enough!

About the AuthorJim Davis was born on July 28, 1945, in Marion, Indiana. He later attended Ball State University in Muncie, Indiana, where he distinguished himself by earning one of the lowest cumulative grade point averages in the history of the university. (Incidentally, a fellow classmate named David Letterman earned the other). The Garfield strip was born on June 19, 1978, syndicated in forty-one U.S. newspapers. Today it's syndicated in more than 2,100 newspapers worldwide with more than 200 million readers, leading Guinness World Records to name Garfield The Most Widely Syndicated Comic Strip in the World. Davis has had many successes with Garfield, including four Emmy Awards for Outstanding Animated Program and induction into the Licensing Hall of Fame (1998), but his most prized awards are from his peers in the National Cartoonist Society: Best Humor Strip (1981 and 1985), the Elzie Segar Award (1990), and the coveted Reuben Award (1990) for overall excellence in cartooning.
