This book is filled with classic Garfield comics, just like in the "Funny" Section of the Sunday paper, only now all in one place. We own several volumes of the Garfield Fat Pack books, and he said so far this is his favorite. I love that I can find on where I cannot find in stores locally. Well priced and fast shipping was an added bonus as this mom forgot as a Christmas gift. It arrived in plenty of time.4 of 4 people found the following review helpful. A "skinnier" garfield...loving it!By Amina S.I bought both the vol 1 (3-pack) and vol 2 together for my kids, and they love both books (9 year old who reads by himself and 4 year old who asks us to read to her every night!)...but it was easy to spot the "evolution" of garfield's image from the beginning of vol 1, when garfield was not the same look (and weight!) as half way through the book. by this vol. 2 book, garfield looks like the garfield we see nowadays, but the cartoon from vol 1 to vol 2 has been great throughout! love the clean jokes in the garfield series, with a little bit of violence that little kids will laugh about it (as garfield always kick odie out of the way...heehee...)0 of 0 people found the following review helpful. My son loves these. It's the only way we ...By Karla AndrewMy son loves these. It's the only way we can get him to use the restroom! He has to have a Garfield book as reading material!

In this collection we meet Garfield, the cat who's elevated eating and sleeping to an art. So whether he's squashing

spiders, stalking a herd of wild doughnuts, or snoozing through a Monday, Garfield always brings a sense of fun to the proceedings.
