No matter what kind of a mood I'm in, I'm always entertained by reading Garfield comic strips. I have no problem admitting that, even though I'm in my early twenties. I think it's a very hilarious strip and it gets better with every year. "Garfield: Feeds the Kitty" is yet another very amusing collection of funny Garfield strips. Laugh along as Garfield takes on dieting, Mondays, his owner Jon, the very not-so-bright Odie, smart-aleck mice who always get the last laugh, and much more. With Garfield, you know it's never a dull day (even if HE finds it dull). Again, Jim Davis never misses a beat with making Garfield funny and entertaining. While some strips are funnier than others, the overall product is very satisfying. You'll want to re-read the book over and over again. It's a great read, especially when you need some cheering up. The 35th book in the Garfield series, "Garfield: Feeds the Kitty" is a very hilarious collection of Garfield hijinx that you won't want to miss out on. If you're a Garfield fan, I highly recommend you checking it out. Always nice to have something that is bound to get a laugh or two from you.

I have two cats. They are both fat and lazy. I think the only difference between my cats and Garfield is they these do not participate in the weddings of the mice. This is book is funny. Buy it! Read it! Enjoy it! and don't forget to LAUGH!

HUNGRY FOR LAUGHS? Garfield, the fat cat with the bottomless stomach, dishes up another tasty serving of cartoon comedy. So whether he's celebrating the official "Kick-Odie-Across-the-Room Day," playing connect-the-freckles on Jon's chest, or perfecting his insincere smile, Garfield's always on the prowl for food--and fun!
