Garfield booksBy deeAnything Garfield has to be good. I started buying Garfield long, horizontal books for my own son, every Christmas and birthday and have been pleased that my son is now buying this new, big book set for his son.1 of 1 people found the following review helpful. excellent conditionBy suburban momThe books I ordered for my son were in excellent condition, exactly as pictured. My only complaint was that they took longer to arrive than promised. They arrived about 4 days later than expected.

Garfield's back, and he's in the mood for food! In this collection of comics, the tubby tabby devours doughnuts, scours for snacks, and reveals his inner love for bacon. Prepare to pig out with the cat who truly believes that the best things in life are edible!
