Maybe not yours.). It is really popular too. Jim Davis has put a lot of effort into these books. Hard work has come into a really funny, hilarious book. Thank you very much Jim Davis.1 of 1 people found the following review helpful. BEST Book of the series!By LunaticXI have all garfield books since I started when I was a kid in elementary school. Of all the newer colored garfield books, this one is the most funniest and enjoyable. It is like a complete ride with garfield operating the roller coaster of laughs. I wish all future releases could match up or beat this epic release.0 of 0 people found the following review helpful. Time for pie!By Russell GillettIt's Garfield, it's funny. What else needs to be said?

Sugar Shock! Forget the prize, GARFIELD has his eyes on the pies . . . and the cakes . . . and the donuts. As the fat cat himself says, "Never underestimate the positive power of pastries." Fans hungry for laughs will find this latest confection the perfect treat to satisfy their comic cravings.

About the AuthorJim Davis was born on July 28, 1945, in Marion, Indiana. He later attended Ball State University in

Muncie, Indiana, where he distinguished himself by earning one of the lowest cumulative grade point averages in the history of the university. (Incidentally, a fellow classmate named David Letterman earned the other). The Garfield strip was born on June 19, 1978, syndicated in forty-one U.S. newspapers. Today it's syndicated in more than 2,100 newspapers worldwide with more than 200 million readers, leading Guinness World Records to name Garfield The Most Widely Syndicated Comic Strip in the World. Davis has had many successes with Garfield, including four Emmy Awards for Outstanding Animated Program and induction into the Licensing Hall of Fame (1998), but his most prized awards are from his peers in the National Cartoonist Society: Best Humor Strip (1981 and 1985), the Elzie Segar Award (1990), and the coveted Reuben Award (1990) for overall excellence in cartooning.
