It's VERY short, but I liked it. If you REALLY want this book, then I guess it's ok if you want to spend \$10 on a short comic book. 0 of 0 people found the following review helpful. Garfield is at it again and he is serving up a bunch of humor to his fans. This book will leave you with a belly full of 1 as laughter.

Whether he sneaks all the cookies, devours a refrigerator, or wrestles an easy chair to the ground, you have to expect the unexpected when you're in the presence of cat-genius. Garfield's behavior is perfect, as usual, with just a few minor acts of mischief to liven things up and keep the good times rolling!
