MillisMy son loves Garfield and he went from a student in "reading recovery" at school (that means below grade level) to a student who reads 2-3 grades above his grade level because of his desire to read MORE Garfield than I was willing to read to him at night. Luckily, unlike many book series, this series goes on forever! And Jim Davis, bless his heart, has made it so affordable to collect his books in these fat cat 3-packs (3 books in one cover) and has made it even MORE affordable. Unlike some books made for kids (like Cap'n Underpants, for example) there are no misspelled words as the author tries to mimic what a kid's comic would look like, there is little if any violence like in some comic books, no scantily clad comic character women, no racey themes are statements.... It's just perfect for a kid in elementary school learning to read... and now and then, I'll read a few pages... and grandma loves to steal one, too... so it's just nice for all ages. So glad we stumbled on to these! It's a long-lived interest that has helped him so much!1 of 1 people found the following review helpful. GARFIELD FAT CAT 3-PACK VOLUME 1 COLLECTIONS EDITION?By AngelaOh My Dear Fat Sarcastic, Non-Empathic Garfield, How You do Make My Son and Me Guffaw with Laughter!I have been purchasing these wonderful FAT CAT 3-PACKS for quite some time. My son is twelve and has been reading GarfieldFat Cat

since he was a Tot, and continues reading as a "Tween." For those who don't know, the book comes as one thick book, thus the "3-pack" although to be perfectly honest, that could seem to be a bit misleading. My first purchase many years ago had me thinking I was getting three books. I was very happy when I saw just how thick (a good inch or more) the big soft bound comic strip book was; so, no complaints here. He had asked for Volume 1, but I couldn't understand why it was so expensive at some places and yet hard to find at others. Well, I found GARFIELD FAT CAT 3-PACK VOL 1 here, and decided to buy it used. It arrived in about two weeks in almost perfect/new condition. 2 of 2 people found the following review helpful. Love love love By Carolena Grace Garfield comic strips are the best! From sarcasm, wit, to dry humor, Garfield's adventures pretty much involve sleeping at some point. The Garfield comics have been released in full color which helps a vivid imagination! I own every single book and have turned this into a treasured collection for my children!

Garfield Rules! He's the Lord of Lethargy, the Sultan of Snacking, and he's back with an all-new collection of comics. Loyal subjects of His Royal Roundness are hereby ordered to make merry at the fat cat's kingdom, where laughter reigns supreme!

About the Author Jim Davis was born on July 28, 1945, in Marion, Indiana. He later attended Ball State University in Muncie, Indiana, where he distinguished himself by earning one of the lowest cumulative grade point averages in the history of the university. (Incidentally, a fellow classmate named David Letterman earned the other). The Garfield strip was born on June 19, 1978, syndicated in forty-one U.S. newspapers. Today it's syndicated in more than 2,100 newspapers worldwide with more than 200 million readers, leading Guinness World Records to name Garfield The Most Widely Syndicated Comic Strip in the World. Davis has had many successes with Garfield, including four Emmy Awards for Outstanding Animated Program and induction into the Licensing Hall of Fame (1998), but his most prized awards are from his peers in the National Cartoonist Society: Best Humor Strip (1981 and 1985), the Elzie Segar Award (1990), and the coveted Reuben Award (1990) for overall excellence in cartooning.
