All Garfield books are worth having and re-reading again and again for laughs. One of the genuine FUNNY characters that has been created without catering too much to the politically correct brigade.Keep up the great work Mr Davis and thanks for giving us something to laugh at.0 of 0 people found the following review helpful. Lovely sense of humor, entertaining for both kids and adults. Keeps budding readers busy!

Can a cat with no feet....bounce into bed?...trot to the TV set?...race to the refrigerator?You can be sure that your favorite furry feline will find a way!

About the AuthorJim Davis was born on July 28, 1945, in Marion, Indiana. He later attended Ball State University in Muncie, Indiana, where he distinguished himself by earning one of the lowest cumulative grade point averages in the history of the university. (Incidentally, a fellow classmate named David Letterman earned the other). The Garfield

strip was born on June 19, 1978, syndicated in forty-one U.S. newspapers. Today it's syndicated in more than 2,100 newspapers worldwide with more than 200 million readers, leading Guinness World Records to name Garfield The Most Widely Syndicated Comic Strip in the World. Davis has had many successes with Garfield, including four Emmy Awards for Outstanding Animated Program and induction into the Licensing Hall of Fame (1998), but his most prized awards are from his peers in the National Cartoonist Society: Best Humor Strip (1981 and 1985), the Elzie Segar Award (1990), and the coveted Reuben Award (1990) for overall excellence in cartooning.
