Wheeler Another great entry in the newly FULL-COLOR series of the fat cat's early adventures, as he continues to make life hard for his owner Jon, and the dog, Odie, whenever he's not eating or sleeping. 1 of 1 people found the following review helpful. GARFIELD ROLLS ON By mike hopkins If you like GARFIELD you can reread his daily/weekend comic stripes.

You just can't keep a good cat down. And with Garfield you'd need muscles to do it, anyway. This is the frisky feline's tenth collection and is full of the antics and acrobatics you know and love him for. As a bonus it also features an interview with Jim Davis about how he became a cartoonist!
