The behind-the-scenes commentary by Jim Davis was fun, and the fact that he uses assistants in his work an eye opener. Overall, we had a great time with this over the holidays.11 of 11 people found the following review helpful. Garfield Sunday FinestBy CustomerI really enjoyed the book. My six year old son is obsessed with Garfield cartoons ...By CustomerMy six year old son is obsessed with Garfield cartoons so I thought this would be the prefect Christmas present to bring in literacy and reading with a topic that he loves. I was right, he loves it and hearing his belly laughs when we read each comic is priceless.

About the AuthorJim Davis was born on July 28, 1945, in Marion, Indiana. He later attended Ball State University in

Muncie, Indiana, where he distinguished himself by earning one of the lowest cumulative grade point averages in the history of the university. (Incidentally, a fellow classmate named David Letterman earned the other). The Garfield strip was born on June 19, 1978, syndicated in forty-one U.S. newspapers. Today it's syndicated in more than 2,100 newspapers worldwide with more than 200 million readers, leading Guinness World Records to name Garfield The Most Widely Syndicated Comic Strip in the World. Davis has had many successes with Garfield, including four Emmy Awards for Outstanding Animated Program and induction into the Licensing Hall of Fame (1998), but his most prized awards are from his peers in the National Cartoonist Society: Best Humor Strip (1981 and 1985), the Elzie Segar Award (1990), and the coveted Reuben Award (1990) for overall excellence in cartooning.
