All Garfield books are worth having and re-reading again and again for laughs. One of the genuine FUNNY characters that has been created without catering too much to the politically correct brigade.Keep up the great work Mr Davis and thanks for giving us something to laugh at.0 of 0 people found the following review helpful. He's the #1 champ at sleeping, eating, and watching TV--and when the world's favorite cat sits around the house, he REALLY sits around the house! And, of course, he's as sassy and lovable as ever when he chases Odie, plays with Nermal and Pooky, and makes life both wicked and wonderful for his owner Jon!
