Jim Davis : Garfield Spills the Beans: His 46th Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Garfield Spills the Beans: His 46th Book:

3 of 3 people found the following review helpful. GarfieldBy B. azevedoI enjoyed reading Garfield in the news paper as a kid so I bought this one for my kids. They are 10, 6 and 3 years of age. All of them love it especially my 10 year old. The reading go's by fast so you might want to buy the follow on books as well. I bought them in groups of three every few months.1 of 1 people found the following review helpful. Garfield!!!!!!By Vicki PalmerAs well written and illustrated as always. Extremely entertaining. My 9 yo Granddaughter loves it. She is an advanced reader but still a 9 yo child. This book was great for her.4 of 4 people found the following review helpful. My son loves reading this Garfield book!By Margarita RamonMy son is not what you call an avid reader...but purchasing this Garfield book for one of his Christmas gifts did the trick... he couldnt put this book down he loved reading it over and over and sharing the funny comic strips with me!

Guilty as Charged GARFIELD, the felonious feline, is up to his old tricks again—and he doesn't care who knows it. Whether the victim is John, Odie, or some unsuspecting spider, Garfield is always guilty of fun in the first degree!

About the AuthorJim Davis was born on July 28, 1945, in Marion, Indiana. He later attended Ball State University in

Muncie, Indiana, where he distinguished himself by earning one of the lowest cumulative grade point averages in the history of the university. (Incidentally, a fellow classmate named David Letterman earned the other). The Garfield strip was born on June 19, 1978, syndicated in forty-one U.S. newspapers. Today it's syndicated in more than 2,100 newspapers worldwide with more than 200 million readers, leading Guinness World Records to name Garfield The Most Widely Syndicated Comic Strip in the World. Davis has had many successes with Garfield, including four Emmy Awards for Outstanding Animated Program and induction into the Licensing Hall of Fame (1998), but his most prized awards are from his peers in the National Cartoonist Society: Best Humor Strip (1981 and 1985), the Elzie Segar Award (1990), and the coveted Reuben Award (1990) for overall excellence in cartooning.
