**Jim Davis : Garfield Tips the Scales: His 8th Book (No.8)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Garfield Tips the Scales: His 8th Book (No.8):

0 of 0 people found the following review helpful. Great book By Kindle Customer Great book I read it thinking that it was going to be one of those stupid comic books but it wasn't 0 of 0 people found the following review helpful. Garfield Rules! By Customer The world would be a better place if we learned a few lessons from a cartoon cat. All Garfield books are worth having and re-reading again and again for laughs. One of the genuine FUNNY characters that has been created without catering too much to the politically correct brigade. Keep up the great work Mr Davis and thanks for giving us something to laugh at. 0 of 0 people found the following review helpful. Great to find the original format! By Tonjawithaj I bought this to fill in our collection since our 9yo son has discovered them. Will likely get more soon! :)

A Garfield Classic! Garfield may have gone through a few changes, but one thing has stayed the same; his enormous appetite for food and fun. So laugh along with the classic cat, because classics are always in style.

From the Inside Flap A Garfield Classic! Garfield may have gone through a few changes, but one thing has stayed the same; his enormous appetite for food and fun. So laugh along with the classic cat, because classics are always in

style. About the Author Jim Davis was born on July 28, 1945, in Marion, Indiana. He later attended Ball State University in Muncie, Indiana, where he distinguished himself by earning one of the lowest cumulative grade point averages in the history of the university. (Incidentally, a fellow classmate named David Letterman earned the other). The Garfield strip was born on June 19, 1978, syndicated in forty-one U.S. newspapers. Today it's syndicated in more than 2,100 newspapers worldwide with more than 200 million readers, leading Guinness World Records to name Garfield The Most Widely Syndicated Comic Strip in the World. Davis has had many successes with Garfield, including four Emmy Awards for Outstanding Animated Program and induction into the Licensing Hall of Fame (1998), but his most prized awards are from his peers in the National Cartoonist Society: Best Humor Strip (1981 and 1985), the Elzie Segar Award (1990), and the coveted Reuben Award (1990) for overall excellence in cartooning.
