Went to put birthdays in and discovered it was all messed up! January and February repeated themselves... then it was missing March April May June July and August... then had two of September October November and December. I will be returning it and ordering a new one...hopefully yhe new one will be correct!0 of 0 people found the following review helpful. Will give me a daily laugh looking at this calendarBy Sandie HerronAs always, Gary Patterson can be counted on for the funny and realistic depiction of life with cats and dogs! Great calendar, great illustrations, no damage in shipping. Thanks!0 of 0 people found the following review helpful. I absolutely love this calendarBy Donna L.I absolutely love this calendar. It hangs above my desk I get a kick out of it everyday. It is so funny. I will be ordering another one in the coming year.

Gary Pattersons cheerful artwork captures the lighter side of life with pets. Enjoy a years worth of massive misbehaviors by naughty cats and dogs in these 12 hilarious images. The large format features daily grids with ample room for jotting appointments, birthdays and personal reminders. Also includes six bonus months of July through

December 2016; moon phases; U.S. and international holidays.
