Refreshingly Original...SHOW Us Designs BEFORE We Buy #918...By

classicsGGmaAbsolutely love these coloring books. Ms. Vencato has captured the fun-loving spirit of German Shepherds with original, to me, drawings. Nothing too detailed and none of the heavy black we keep seeing in those SS repeats. It's refreshing to see new designs like these. Thank you. When we buy coloring books in stores we can see if we like the designs and check for any designs we already have. WHY Not Here On ??

"Gentle German Shepherds" is the fourth adult colouring book from the series "Paws for Thought". It contains 24 hand drawn, single sided illustrations featuring German Shepherd dogs. Each illustration is included in two sizes: one per page and two per page. The smaller size is ideal for testing out your colour schemes or to cut out and frame. There are lots of opportunities to practice your techniques colouring noble German Shepherd dog and puppy faces. They lend themselves perfectly to the practice of mindfulness and relaxation! These illustrations are designed to challenge even the most experienced colourists, but there are some simpler illustrations for some light relief! Single sided designs printed on medium weight white paper - perfect for pastels or coloured pencils, this book would make a lovely gift. If you prefer to work directly inside the book using gel pens/markers, it is advisable to place a sheet of plain paper between the pages to prevent bleed through. Or, you are free to photocopy these designs on your favourite paper or card for your own use.

From the Back Cover 24 hand drawn illustrations of German Shepherd dogs and puppies too! These noble Alsatian dogs are drawn on a variety of backgrounds and depicted in scenarios suitable for all skill levels. Each illustration is included in two sizes: one per page and two per page. The smaller size is ideal for testing out your colour schemes or to cut out and frame. About the Author I am an illustrator who loves intricate geometric patterns just as much as figurative art. Doodling and sketching is a favourite pastime and many ideas come from drawings I make on random bits of paper. I graduated from Wimbledon School of Art in London, starting out as a scenic artist at the Theatre Royal Windsor. I have worked in other theatres in the South East, moving onto film sets and even theming large premiere parties. Now I prefer the gentleness of illustrating to the noisy world of theatre and film (though I still love the smell of fresh sawdust).
