John Wik : GeoMandala: The Coloring Book of Geometric Mandala Designs (Volume 1) before purchasing it in order to gauge whether or not it would be worth my time, and all praised GeoMandala: The Coloring Book of Geometric Mandala Designs (Volume 1):

7 of 7 people found the following review helpful. 4 stars By IkiKoloheChinchillas I have enjoyed coloring in this book. IMHO, these are the PROS and CONS of this book. I use alcohol markers so my review is based on using those over water-based or colored pencils. PROS:- Single-sided pages- Black backgrounds- Nice, thick black outlines- Good selection of various images- Unlike flowers and such where I usually try realistic-type colors, because this is more patterns, I don't have to concentrate and can just coast CONS:- Thin thickness of paper (alcohol markers bleed like CRAZY; see photo)- Seems to be a bit light in number of images for the price (as compared to other books of similar # of pages)- Tight binding, it's extremely hard to keep open to color in, this I can fix by having it spiral bound at my local office store As always, YMMV as we are all looking for something different! 1 of 1 people found the following review helpful. not as good as I expected By Kindle Customer I really didn't like this book. I didn't think the printing was very well done and I really didn't like the designs. I also have found I don't like the designs printed on black. 3 of 3 people found the following review helpful. John Wik did it again! By Kindle Customer These geomandalas are beautiful. I recommend these for any age. I use them in my jewelry and also coloring them is great stress relief. When you color it clears your mind. Don't take my word for it you have to try it. I have purchased a few of his books. I

recommend this product highly it arrived on time and packaged nicely.

24 original mandala designs for coloring enthusiasts of every age! These intricate geometric designs are printed on one side of the paper for convenient coloring. Each mandala is also framed by a black background for a touch of elegance!
