Rene Strauss : Geometric Designs: Adult Coloring Books (Volume 2) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Geometric Designs: Adult Coloring Books (Volume 2):

The geometric designs some which have all straight lines and others all curves, plus a nice mix of complexity. Good beginning coloring book because you can learn color schemes without thinking of what color flowers or animals are in real life. Explore those pattern with crayons, gel pens, colored pencils, and even sharpies. Let your mind relax from the stress and everyday tension and meditate, coloring these beautiful patterns. Provides hours and hours of stress relieving, mindful calm, and have fun.
