Mr Alan Wiltshire, Mr Stephen Wiltshire : Geometric Patterns and Mandalas: Mathematical Colouring Book including geometric patterns, tessellations, mandalas and polygon designs. before purchasing it in order to gage whether or not it would be worth my time, and all praised Geometric Patterns and Mandalas: Mathematical Colouring Book including geometric patterns, tessellations, mandalas and polygon designs.:

Switch off and relax colouring geometric tessellations, patterns and mandalas. 50 original hand drawn designs printed on a single page with the reverse left blank, perfect for pencils and various other media. Suitable for adults and older children. This Colouring Book was created using material developed by British Artist and Mathematician Alan Wiltshire, containing Tessellations and Polygonal based Mandalas and Patterns.
