**Melissa Dark : Gerrarahia!!!: (An Adult Coloring Book)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Gerrarahia!!!: (An Adult Coloring Book):

Gerrarahia (get out of here) is a stress relieving adult coloring book that explores the innermost thoughts of Melissa Dark. The illustrations have been a relaxed to avoid another complicated set of drawings and emphasis has been placed on calm, play and fun. In the book, you would find statements like “slice a roach in their salad”, “Range Over” or “apart from the paint, what’s white about the Whitehouse?” The illustrations have also been done to capture the very essence of the statements. Welcome to the colorful world of Melissa Dark, this is a time to get unserious!

About the AuthorMelissa Dark believes in the power of imagination via art, and this book shares some of her

experiences and philosophies about life. Life is not to be taken too seriously all the time. We often spend our lives clinching on to the tangibilities of the intangible; and the possibility of the impossible. And we fail to realize and appreciate the other good things of life. Time is never enough...enjoy!
