So cute, the purrfect read for cat lovers!By Amanda RussellI am a long-time follower of GOOTC on Tumblr, and this book adaptation has not let me down one bit. The captions added in with each picture make for a fun and interesting read for adults as well as children! It has a nice, high quality hard cover and vivid images inside. I will surely be telling all of my cat loving friends to buy this book!2 of 2 people found the following review helpful. Kristina Knapp rocks!By Lynne LockeKristina Knapp has a winner here. This cute little book shows cats in various places where they do not belong. Appropriate for all ages. A great gift for young and old alike!1 of 1 people found the following review helpful. So Cute!By Abigail SI love the website that started this book plus it helps that one of my cats is actually in this book! I recommend it to all of my friends. These cats are adorable it was a great purchase that makes a good conversation starter.

Based on the popular blog of the same name, Get Out of There, Cat! is a hilarious book featuring humorous captions paired with 150 full-color photos of cats where they do not belong: hanging out in the dryer, sleeping in trees, taking bubble baths , eating Sun Chips, and more.
