**Saul Tanpepper : Get the F\*\*k to Work: The Severe Habits of Highly Ineffective People** before purchasing it in order to gage whether or not it would be worth my time, and all praised Get the F\*\*k to Work: The Severe Habits of Highly Ineffective People:

4 of 4 people found the following review helpful. Pretty CuteBy KathrynGo the F to Sleep was a masterpiece!! So, it was a hard act to follow, but this was definitely worth the read! I think this one is harder for me to relate to. Having never been in management, even after working 30 years (not my calling) I don't have as much sympathy for the "boss" as I do for all parents. Did I see these people at work, absolutely! I didn't like them any better than the boss did, but lazy often prevails :)0 of 0 people found the following review helpful. Meh.By Lauren MeddersI only read about half through and still felt my time was wasted. It feels like a paltry attempt to match the other book with a similiar title. The illustrations were weird, like the people drawn in don't match the background. The wording felt very forced as well, like "So I need a word that rhymes with work....let's see, berserk!" (Not that berserk is used, but some of the rhyming felt that way.0 of 0 people found the following review helpful. Wasn't that greatBy Livia JonesWith a title like that I expected more. Good title but found the rest trying to hard to be funny...sorry if my humor didn't match up.

Get the F\*\*k to Work is every poor, sad working stiff 's manifesto. Anyone who has ever suffered under the oppressive thumb of an overbearing boss, and every frustrated leader charged with guiding the hapless, helpless, and

hopeless, should read this guide. This profane romp into the trials and tribulations of today's pressure-cooker workplace underscores the real challenges we all must face to perform, from the distractions of social media to the allure of the politically incorrect.

**MAKES A GREAT GIFT!!** Yes, hilariously so! This book makes for a great icebreaker. Throw a copy in the staff lounge. Give one to the boss. Even your HR rep. Just make sure nobody takes it too seriously. \* \* \* \* \* Take a page straight from the book and get the **GET THE FUCK TO WORK** t-shirt!
