Jack Ohman : Get the Net!: The Crazed Fly Fisherman's Catalog before purchasing it in order to gage whether or not it would be worth my time, and all praised Get the Net!: The Crazed Fly Fisherman's Catalog:

The author of the best-selling *Fear of Fly Fishing* and *Fishing Bass Ackwards* strikes again with a no-holds-barred look at the techno-madness of modern fly fishing and gadgetry equipment. From the spendy \$56,000 *Virtual Reality Trout Stream(R)* (Thrill to highres pixel browns taking fly after fly) to the reasonably-priced *Trout Rifle(R)* (Tricky trout situations become simple matters of gunplay), all levels of income and expertise are covered.
