Karen Pond : Getting Genki In Japan: The Adventures and Misadventures of an American Family in Tokyo before purchasing it in order to gage whether or not it would be worth my time, and all praised Getting Genki In Japan: The Adventures and Misadventures of an American Family in Tokyo:

The unexpected gift of a favored bottle of shiraz from her husband leads to the adventure of a lifetime for Karen Pond and her family—moving from rural Maine to the largest city in the world: Tokyo, Japan. Getting Genki in Japan is a collection of illustrated travel and culture essays and musings of a Down East Mom's absurd and exhilarating adventures in the Far East. From bewildered and befuddled (and back again) to (somewhat) wise, these narratives recount a journey of cultural discoveries, experiences and the follies of a newcomer to Japan; including (mis)identifying food, (mis)pronouncing Japanese, (mis) pantomiming for necessities, and finally figuring out how to

flush the Japanese toilet!
