Suppose its funny and witty for some but I found a lot of it cynical. Maybe good for someone who's had some rough family times. 0 of 0 people found the following review helpful. Two Stars By Karen Hutchinson This has little to do with girlfriends. 1 of 1 people found the following review helpful. Very Clever and Fun By Susie G. I bought several copies of this book for my fabulous friends as one of their Christmas gifts. It makes a great gift.

Sassy and sweet, Girlfriends Forever celebrates the bonds of true friendship with love, laughter, and heartfelt care. Husbands and boyfriends are nice accessories, but girlfriends are the essential must-haves of life. It's our gal pals who get us through both good times and bad. The course of my life has been charted over coffee with the girls, new plans made over a margarita (or two), and many a late-night phone call dedicated to the topic of love. Who else do we turn to for the best advice, gossip, and fashion tips? Girlfriends Forever is a treasury of vintage vixens from my collections, each page of celebrating a different aspect of friendship?from sharing secrets to sharing tears, from being each other's cheerleaders to comforting one another with hugs and good advice. Filled with love, laughter, and heartfelt caring,

Girlfriends Forever honors everything it means to be a true friend. As someone once said, "Friendship isn't a big thing, it's a million little things." This book of women's wisdom is a tribute to these sisters of the soul who are there every step of the way.

"This is a great book to share with your friends. Preferably at a 'girls night out' party. A lot of the pictures have to do with friendships or things that you would talk over with your girlfriends." —Simple Wyrding
"I LOVE this little book! Girlfriends make the world go 'round." —BJ Gallagher, author of Friends Are Everything
"This confection of a book is like candy—tart, satisfying, and so much sweeter when it is shared. A cheeky homage to the unbreakable bonds between women." —Ame Mahler Beanland and Emily Miles Terry, authors of the New York Times bestsellers It's a Chick Thing and It's a Chick Thing: Celebrating the Wild Side of Women's Friendships
