Excellent light reading!By Krysi FosterUntil now, i havent read a play since high school.The first two were a little tamer, but the rest had me laughing out loud and earning dirty looks from my family ^_^ the only con for me was when it ended. I will def be buying more of the authors work.

Give Hell a Chance: A Book of Plays contains nine plays about Satan...and you've never seen him like this! Join Satan as he meets his long-lost son, deals with his teenage daughter's desire to start dating, and tries to work through his issues with God in therapy.

About the AuthorCrystal Smith-Connelly has written more than fifty plays, some of which have been performed in New York, Los Angeles, Maryland, and France. Known for her twisted sense of humor, she counts Trey Parker and Matt Stone, Conan O'Brien, Sarah Silverman, Steve Martin, and Tina Fey among her influences and hopes that someday Will Ferrell will star as Zeus in one of her plays. She is the author of For I Am Zeus: A Collection of Plays About Greek Mythology, Never Trust an Angel and Other Plays, Goat Herpes and Other Problems, and Paranormal Jokes and Haiku.
