I bought this as a gift for my father for Father's Day but could not wait once it got here. It's a great collection and a must have for any Broncos fan and the Elway fan. Great price, will definitely buy another for myself and brother! 0 of 0 people found the following review helpful. LOVE IT!!! By Tracy BI am a huge fan of Drew Litton, the Broncos and John Elway!! I enjoy the cartoons and am thrilled they have been put in this collection. It brings all the ups and downs of the Elway Era back. The best part is that through the cartoons you can now giggle at the hard times they went through. Love it!!! It is everything Drew Litton. 2 of 2 people found the following review helpful. Excellent tribute to the Elway years in Denver By B. Bates I was lucky to be in Denver when Mr. Litton was signing his book. Very gracious man and his book is a must for any Denver Bronco fan, and especially Elway fans. Mr. Litton is a sports cartoonist for the Rocky Mountain News in Denver and has covered the Elway years from the beginning through his recent induction into the Pro Football Hall of Fame. This book even has a few never-before published cartoons. I would recommend the book highly.

On August 8, 2004 Super Bowl winning quarterback John Elway was inducted into the Pro Football Hall of Fame. The first Denver Bronco to be inducted is portrayed throughout his career with over one hundred black-and-white and color cartoons by the editorial sports cartoonist for the Rocky Mountain News. Arranged chronologically from early struggles to MVP success, this is a fitting tribute to one of Denver's most beloved sports figures.
