I have a few up in my house and flip the pages according to my mood. My husband jokes that he always glances at them to know where I mentally stand that day. Ha! I usually give them to friends or family without young children but recently I've heard some of them have them displayed in their work office instead. But be careful of offending people, especially co-workers. 0 of 0 people found the following review helpful. These are always a joy! By nicolelouisejeez Gave this to my boss as a gift and she still loves changing the pages every day. Of course a lot of them aren't appropriate to display at work, but she I laugh over those too! Very much recommended! 0 of 0 people found the following review helpful. Five Stars By MJoseph Particularly fun to pass around at parties and have people read aloud to the group. WAY fun!

In the fifth installment of the best-selling BITCH series, each exuberantly vulgar dictum dishes on the delights of chocolate, coffee, and other intoxicating comestibles, and is thoughtfully paired with a fine vintage illustration. GIVE THE BITCH HER CHOCOLATE brings a particularly piquant imperiousness to the table, serving up a feast of edible and potable quoteables from diva-licious dames. These hedonistic heroines bring haute cuisine to a whole new level that's at least as high as their hairdos. GIVE THE BITCH HER CHOCOLATE is the ultimate validation for a favorite foodie, churlish chocoholic, or domestic dominatrix because bitchiness isn't just an attitude--it's a lifestyle.
