**Laura Ann Methvin : Glamour Pusses** before purchasing it in order to gage whether or not it would be worth my time, and all praised Glamour Pusses:

A book for all cat lovers with a sense of humor and styleBy Shelby VargoThis is such a cute book, with all the beautiful kitties and the funny captions that Laura has written. If you love cats and have a sense of humor, this is a book you will enjoy to have for yourself and give to your friends (as I have). These are cats who know about style, fashion and who keep a paw on current events. Sure to give you a smile on the dreariest of days.2 of 2 people found the following review helpful. You'll say, "Oh! Look at this one!" every time you turn the page.By Ellen LiefOMFG this book! I like it so much. It will be well read by the time Mom opens it at Christmas. The pictures are gorgeous adorable and the bio/captions are spot-on. Laura's genius is unfailing.1 of 1 people found the following review helpful. Beyond adorable!By M. CenzerThe photos are brilliant and the captions are so witty, add in help for shelter cats and I cannot see a reason to not buy this for every cat lover you need a gift for.

Everybody knows that shelter cats are the coolest. But here, captured for the first time, are shelter cats living their best life! OK, maybe not their best life, but, y'know...talking about music and romance and snacks stuff. They're cute. They're funny. Just...read the book and you'll get it. It's hard to explain in this little space. Photographer and writer Laura Methvin brings a delightful selection of entries from her hilarious Glamour Pusses blog to this collection. You'll laugh, you'll cry, you'll want to enjoy these charming shelter cats and kittens again and again! (You won't cry, because

it's just cat pictures with silly captions. You might laugh, though. I guess it's possible you could laugh so hard, you cry. Anyway. Buy this book!) Hey, this'd maybe be a good book to keep in your guest bath or something. 10% of the profits from the sale of this book will be donated to help homeless pets.
