Greg Wyshynski : Glow Pucks and 10-Cent Beer: The 101 Worst Ideas in Sports History before purchasing it in order to gage whether or not it would be worth my time, and all praised Glow Pucks and 10-Cent Beer: The 101 Worst Ideas in Sports History:

0 of 0 people found the following review helpful. Two StarsBy Dr. MilktruckNot very well-written. The expected humor quotient was low.0 of 1 people found the following review helpful. Don't buy in E-book, it's hard to readBy CustomerThe font on the e-book is terrible. Borderline unreadable.1 of 3 people found the following review helpful. Book made for the man cave restroomsBy Mr. MuumiAt its best moments brings a smile on your face and at its worst makes you wonder the point it tries to make. As you probably already guessed from the title, it is easy read that should not be taken too seriously. Not something for the literary connoisseur, but US sports fans should find this more or less enjoyable. If you are not into football (not the European version), baseball, ice hockey or basketball this book is maybe not the best choice.

Glow Pucks and 10-Cent Beer: The 101 Worst Ideas in Sports History chronicles sports' most infamous events, ill-fated ideas and unfortunate trends. Glow Pucks and 10-Cent Beer offers hilarious essays and well-researched arguments that tackle silly sports phenomena (Bad Idea #101. Hulk Hogan, Thespian: "Eat your heart out, Meryl Streep!") while challenging some of the sports world's most revered traditions (Bad Idea #5 The Bronze Medal: "A

trinket whose only purpose is to remind athletes that they're closer to fourth place than they are to first place."). Rating his entries according to how egregious, embarrassing and damaging the events were to the parties involved; how idiotic the factors were behind their failures; and above all else, whether they were a direct insult to the heritage of the sports themselves, Wyshynski aims to spark debate about the most controversial moments and issues in sports history.

Readers will zip through chapters looking to see how dumb the next idea is. More than anything, *Glow Pucks 10 Cent Beer* will spark debate among fans on what is truly moronic in the world of sports. (Salt Lake Tribune) You know what this book is, right? Great travel reading, or, if you don't travel, great bathroom reading. In other words, this book is among the 101 best ideas in sports. (Jerry Greene *The Orlando Sentinel*)
