**Jenay Elder : Gnome Coloring and Doodle Book: Mushroom Garden** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Gnome Coloring and Doodle Book: Mushroom Garden:

What do gnomes eat? What do they wish for? These coloring pages are full of earthly treasures, quotes, gnomes and friends. Help complete 30 single sided, hand drawn illustrations that take you on a garden gnome adventure that is fun for all ages!

My kids love this book! They love the nature illustrations and the challenge of finishing some pages.
