Go Color Crazy with Mini Mandalas Motifs is a mini 6" x 6" coloring book where rules are not allowed and coloring freedom is embraced. Enter the world of singular geometric mandalas and motifs that look as though they are made of twisted wire or wrought iron. All 50 original designs have been purposed to inspire color, creativity, and beauty, while instilling relaxation with a sense of fulfillment. This mini size allows you to throw it in your pocket, purse or briefcase so you are ready to color wherever you go. Whether in the waiting room, on the commuter train, or on your lunch break, you can seize the moment and color your cares away. Each design is on a separate page. Designs range in levels of complexity from beginner to expert.
