In truth, however, I would appreciate more historical/scenic pictures including monuments and famous figures paired with greater quotes. In general, there are many nondescript pictures that do not do much to either stir patriotism or educate the reader. 0 of 0 people found the following review helpful. It is very pretty, in black-and-white By Phoenix teacher It seems to be much more of a story book rather than an adult coloring book. It is very pretty, in black-and-white, but I would not recommend it. 0 of 0 people found the following review helpful. Five Stars By Diana L Lewis Quality paper with perforated pages-

Return to simple pleasures and simpler times. Enter the pages of this coloring book for adults, and you will find a peaceful way to reflect on what makes America a truly amazing country: our values of equality, opportunity, faith, family, character, generosity, justice, and perseverance. Each coloring page features an original design from one of nine different artists, illustrating an inspirational quote from one of the Founding Fathers, an historic document, a patriotic hymn, or another of America's heroes. Slow down, quiet the noise, and express creativity as you color your way through history. So grab your colored pencils or markers, find a comfortable spot to relax, and spend some time celebrating America. To help set the perfect patriotic mood, a link to the "Coloring America" playlist is included inside. #COLORINGAMERICA
