Raymond Boyd : God Bless Crime: It's Been Good To Me before purchasing it in order to gage whether or not it would be worth my time, and all praised God Bless Crime: It's Been Good To Me:

Holding your breath won't help, and neither will stepping on a tack in your shoe. If you ever find yourself across the table from Raymond Boyd and his polygraph, he'll know whether you're honest or not. In *God Bless Crime; It's Been Good to Me*, follow Ray's story from nightclub emcee to president of his own company and everything in between. Full of Boyd's signature screwball humor, you'll discover where one Tennessee sheriff finds his liquor, why Boyd has stamps that proclaim, "Go shit in your hat," and how he and others have tricked many a dimwitted criminal.

With a life full of stories spanning the range of human emotion, each one will leave you eager to see what case he cracks next.
