0 of 0 people found the following review helpful. Irony and sarcasm in abundance. By G. Dunshee There really is no plot. It is a series of captioned pictures, all of which are hilarious. The little scenes she sets along with the captions, too much fun. 0 of 0 people found the following review helpful. Funny! By bookworm1976 So cute, funny, clever and witty. Love all the little details in the pictures and the funny texts. Had me laughing out loud many times. 0 of 0 people found the following review helpful. Five Stars By Caitlin Rumpf This whole series is SO FUNNY! Clever.

They're back! Sloane Tanen treats us to a second installment of her hilarious chicken dioramas in this sequel to her immensely popular *Bitter with Baggage Seeks Same*. Join these fluffy, yellow, surprisingly human protagonists as they face a new series of dilemmas in their exquisitely crafted, miniature settings. Whether playing the online dating game, trying couples therapy, dealing with uncooperative children, discovering the melancholy of middle age, dreaming of a better life, or finally grasping the golden (or at least bronze) ring, these chickens encounter everyday troubles and triumphs as painfully recognizable as they are hilarious. Clever, charming, and endlessly entertaining, *Going for the Bronze* is a brilliant follow-up to a wholly unique bestseller.
