I got it for a friend for a birthday gift and it turns out we all sat around taking turns reading quips from the book out loud to the group. This was the best part of the bday party! I've since purchased a copy for hubby, brother, and my golf team. Can't have too many of these lying around. Everybody wants a copy.6 of 6 people found the following review helpful. If you are a golfer...good or badBy Kate J.If you are a golfer., good or bad. This is a great book for you. Also give it as a gift to the golfer you know. It will cause you to laugh out loud, and you will see yourself and so many others within the pages. It's just for fun, but packed with true-isms, and half true-isms! Good to pull out on those rainy days, while waiting at the 19th hole, or at golf parties !!!!
