Steve Lookner : Gone Bitch: A Parody of Gone Girl before purchasing it in order to gage whether or not it would be worth my time, and all praised *Gone Bitch: A Parody of Gone Girl*:

Required reading for fans and haters of "Gone Girl" alikeBy man_invisible Like most parodies, "Gone Bitch" trims the narrative fat of a typical novel (see also: The Harvard Lampoon's "The Hunger Pains") to maintain a lean, fast-moving tale. While some passages stick too closely to Gillian Flynn's source novel, the humor is generally laugh-out-loud funny. Running gags involving porn, incest, transsexuals,

and bad poetry (the "treasure hunt" clues are the stuff of vulgar genius) would be crass if they weren't so consistently hilarious. But author Steve Lookner scores a coup in the altered ending, which serves as a fitting conclusion to his parody, and an oddly appropriate companion to Flynn's novel (in both cases, you're left slack-jawed and laughing at the absurdity of it all). Recommended to both lovers and haters of "Gone Girl." (This review originally appeared on Goodreads)1 of 1 people found the following review helpful. Great satire of a great book!By CustomerTake a book where the two main characters are completely unlikable, vile human beings. One is a cad, and the other is completely psychotic. That's Gone Girl, and it's a great book. In Gone Bitch, Lookner goes one step farther to make every character unlikable. Amy is still as psycho as ever, and Nick is still a manwhore. But it's actually hilarious, and you kind of like Nick, because he's a "guy's guy". It still follows the same format of jumping from character to character perspective, with the added bonus of a chapter from other characters. A fun quick read.0 of 0 people found the following review helpful. Raunchy But FunnyBy Chloe JelaneAt first, I thought I wasn't going to like this book because I really enjoyed Gone Girl. But then, I found myself laughing out loud at some of the most ridiculous things. Lookner actually did a good job of following the plot line of Gone Girl, and I was impressed that he was bold enough to include such extreme absurdities. If you want a quick, humorous read and don't mind raunchiness, this book is a good option (even if you've never read or seen Gone Girl). But if you are a die-hard fan of Gone Girl, you might be offended.

Meet Nick. He's kind of dumb. Meet his wife, Amy. She's kind of a bitch. One day Amy goes missing. What happened? Find out...in GONE BITCH!GONE BITCH is the hilarious new parody of Gillian Flynn's Gone Girl which will have you on the edge of your seat and rolling on the floor. All your favorite characters from Gone Girl are here...but way funnier!First off, there's NICK. Nick doesn't seem particularly upset that his wife is missing, or particularly anxious to find her. But he is perfectly willing to stop by the searches for Amy...because he can try to pick up girls there using lines like, "I'd like to search your woods." Nick also loves lying to the police. For example, Nick's alibi for the morning Amy disappeared is that he was hang gliding, taking a karate lesson, and shooting a major motion picture with Keanu Reeves. There's also AMY, Nick's wife. Amy is basically the worst person ever. Which is unsurprising, since she's a really hot girl. Therefore her one goal in life is to make her hot girlfriends jealous, no matter what it takes. Would Amy really stoop so low as to frame Nick for murder just to make her hot girlfriends jealous? If you don't know the answer, then you haven't hung out with enough really hot girls. There's GO, Nick's sister. Go makes out with Nick a lot, but don't get the wrong idea: they are not having sex. (Although they do get to third base once in a while.) There's RAND and MARYBETH, Amy's parents, whose Idiotic Amy book series chronicles the embarrassing moments of Idiotic Amy, a girl who looks suspiciously like Amy and does embarrassing things suspiciously like things Amy has done. The books have been a huge success, with millions of girls worldwide buying volumes like Idiotic Amy Wets The Bed and Idiotic Amy and the Guy She Had Sex With and Never Called Her Again. There's DESI, who's been stuck in the friend zone with Amy since kindergarten. Desi still hopes that one day Amy will come around and want to take things to another level, but tragically, he fails to realize that no guy ever escapes from the friend zone. And don't forget BONEY and GILPIN, the detectives investigating Amy's disappearance. They strongly suspect the "crime scene" in Nick's living room is fake, because it's pretty hard for a grand piano to flip upside down accidentally. With every page of GONE BITCH the tension builds: Will Nick go to jail? Will Amy ever return? Will Nick ever get over his diarrhea from eating a search volunteer's Frito pie? You'll want to keep reading to find out what happens, but you might not be able to stop laughing long enough to do so! You've seen the movie. You've read the book. Now read the parody that makes fun of both! Get GONE BITCH today!
