Jeffrey T. Darlington : Gone With The Windows (General Protection Fault) before purchasing it in order to gage whether or not it would be worth my time, and all praised *Gone With The Windows (General Protection Fault)*:

1 of 1 people found the following review helpful. Faulties enjoyBy A. MagWell, If you're a geek and you've been following up on GPF through the years or you just got into it, this is a great book containing almost every comic since the last book: *Mating call of the North American Computer Geek*. It also includes some great color strips from a great cartoonist. Keep drawing them Jeff...
