Kerry Colburn : Good Drinks for Bad Days: Holiday Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Good Drinks for Bad Days: Holiday Edition:

0 of 0 people found the following review helpful. Perfect Holiday GiftBy Yumi ClevengerWho doesn't need a cocktail during this time of year? It's the perfect gift for friends and family, with or without a little of bottle of something to go with.0 of 0 people found the following review helpful. Good book for good drinks for bad daysBy JenI loved the first "Good Drinks for Bad Days," and everything else Kerry Colburn has written - she's hilarious! I can't wait to read - and use - this one, as I am anticipating a very drink-worthy holiday season. The perfect stocking stuffer!

Ho ho . . . oh, no! The holiday season comes festively packaged with a vast assortment of disasters big and small. This

time of year is nuttier than a fruitcake: family fights, extra pounds, money woes, end-of-year deadlines, shopping, horrible traffic, and no date for the holiday party. What's a person to drink? That's where this guide to healing elixirs comes in. When your grand holiday light display causes a power outage, fire up an Electric Iced Tea. To remedy that ill-considered reunion with the ex, a Boomerang is a must. This handy guide presents dozens of prickly situations, each with an accompanying cocktail and witty commentary geared to make the holidays more bearable, if a little less remembered.

About the Author Kerry Colburn is the coauthor of *Good Drinks for Bad Days*, *So You Want to Be a Canadian?*, and other books. She lives in Seattle.
