**Giselinde Kuipers : Good Humor, Bad Taste (Mouton Textbook)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Good Humor, Bad Taste (Mouton Textbook):

This is an updated edition of Good Humor, Bad Taste: A Sociology of the Joke, published in 2006. Using a combination of interview materials, survey data, and historical materials, it explores the relationship between humor and gender, age, social class, and national differences in the Netherlands and the United States. This edition includes

new developments and research findings in the field of humor studies.

"[...] Good Humor, Bad Taste is an important book" Elliott Oring in: Journal of American Folklore 2009 "This is an insightful and very clearly expressed study of an important social phenomenon ?humor. Besides, it contains, if I may say so without losing cast in Batavia, some very funny jokes." Christie Davies in: American Journal of Sociology 2008  
"[...] this is a valuable and insightful contribution to the scholarship on jokes and humor that opens up many possibilities for future research." Moira Smith in: Journal of Folklore Research 2/2008  
About the Author  
Giseline Kuipers, University of Amsterdam, The Netherlands.
