outdated and irrelevant. I bought it to prepare for my sister's wedding and was looking for some funny jokes to pass on at her shower. But it was an embarrassing read.

Marriage offers endless opportunities for laughter and this collection of wedding and marital humor, drawn from the files of The Joyful Noiseletter, is sure to please. Scores of jokes and humorous stories, all relating to the beloved institution of marriage, are categorized into chapters and accompanied by the cartoons of talented Christian artists. In the Marry Month is the first title in a planned quarterly release of joke books arriving in plenty of time for the summer wedding season. This hilarious collection of marital mirth is ideal for couples, pastors, anyone looking for clean, good-humored content they can trust.
