**Neil Gaiman, Terry Pratchett : Good Omens: The Nice and Accurate Prophecies of Agnes Nutter, Witch** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Good Omens: The Nice and Accurate Prophecies of Agnes Nutter, Witch:

1 of 1 people found the following review helpful. The End Times should be so full of hope? By Reader in the Pacific  
A good read, but for some rough spots which seemed rushed. Perhaps having too many story lines operating at the same time detracted from the flow.  
1 of 1 people found the following review helpful. Thoroughly entertaining  
By Dominic F  
So many cults these days, or is it that an 'have always been' instead, tell of the dire ends of the world being at hand. It is rather nice to read a humorous tongue in cheek version.  
2 of 2 people found the following review helpful. One of Neil Gaiman's kid friendly stories.

This is a great one!

According to The Nice and Accurate Prophecies of Agnes Nutter, Witch (the world's only completely accurate book of prophecies, written in 1655, before she exploded), the world will end on a Saturday. Next Saturday, in fact. Just before dinner. So the armies of Good and Evil are amassing, Atlantis is rising, frogs are falling, tempers are flaring. Everything appears to be going according to Divine Plan. Except a somewhat fussy angel and a fast-living demon—both of whom have lived amongst Earth's mortals since The Beginning and have grown rather fond of the lifestyle—are not actually looking forward to the coming Rapture. And someone seems to have misplaced the Antichrist . . .

.com Pratchett (of Discworld fame) and Gaiman (of Sandman fame) may seem an unlikely combination, but the topic (Armageddon) of this fast-paced novel is old hat to both. Pratchett's wackiness collaborates with Gaiman's morbid

humor; the result is a humanist delight to be savored and reread again and again. You see, there was a bit of a mixup when the Antichrist was born, due in part to the machinations of Crowley, who did not so much fall as saunter downwards, and in part to the mysterious ways as manifested in the form of a part-time rare book dealer, an angel named Aziraphale. Like top agents everywhere, they've long had more in common with each other than the sides they represent, or the conflict they are nominally engaged in. The only person who knows how it will all end is Agnes Nutter, a witch whose prophecies all come true, if one can only manage to decipher them. The minor characters along the way (Famine makes an appearance as diet crazes, no-calorie food and anorexia epidemics) are as much fun as the story as a whole, which adds up to one of those rare books which is enormous fun to read the first time, and the second time, and the third time...From Publishers WeeklyThis zany tale of the bungling of Armageddon features an angel, a demon, an 11-year-old Antichrist and a doomsaying witch; unmistakably British humor is in abundance. Copyright 1992 Reed Business Information, Inc.From School Library JournalYA-- The end of the world is nigh! At least according to the prophecies of Agnes Nutter, a witch whose predictions are usually accurate but seldom heeded. Eleven years before the deadly Last Saturday Night, the ancient rivals of good and evil personified by the angelic Aziraphale (otherwise living as a London book dealer) and the demonic devil and former serpent Crowley clash in substituting the Antichrist during the birth of a baby. But the babies are switched as an unexpected third child enters the picture. The confusion picks up pace as witch hunters Sgt. Shadwell and Newton Pulsifer pursue modern Nutter follower Anathema Device. Along the way, countless puns, humorous footnotes, and satirical illusions enliven the story. A book that's sure to appeal to devoted fans of Douglas Adams.- Diana C. Hirsch, Prince George's County Memorial Library System, MDCopyright 1991 Reed Business Information, Inc.
