Bill Geist, Willie Geist : Good Talk, Dad: The Birds and the Bees...and Other Conversations We Forgot to Have before purchasing it in order to gage whether or not it would be worth my time, and all praised Good Talk, Dad: The Birds and the Bees...and Other Conversations We Forgot to Have:

0 of 0 people found the following review helpful. A must read for all of us fortunate enough to have a dad. By CustomerVery entertaining! A delightful review of my relationship with my dad and my son while comparing my life

with the life of Bill and Willie Geist. Well written. It was nice to see that my life wasn't as weird as I imagined. Thanks for the great memories. 1 of 1 people found the following review helpful. Tell a telemarketer "Love You" By Joyce FoxKetcI purchased both the hardcover and the Kindle edition. I read the book on my Kindle but bought the hardcover mainly for quick reference to the "wit" of both Geists and the wonderful photos. When the Epilogue page showed up on my Kindle I was sad to know the book was on the last chapter. I laughed and cried all during the book. Thanks for the ride.....in the red Jeep. 0 of 0 people found the following review helpful. Avoid Reading in A Library ... LOL Funny By Shirley N Had high expectations going in, but have never laughed out loud so much while reading any book. Was literally out of breath from laughing while reading "this is not a pony ride", toward the end. Father and son are both masters of self-deprecating humor that is bound to tickle the funny bone in us all. There is more than just laughs here, though. As others have posted, you leave the book feeling like you know this loving, funny family!

Bill Geist--the beloved, award-winning, long-time special correspondent for "CBS: Sunday Morning," whose debut Little League Confidential was a New York Times bestseller in hardcover and paper--and Willie Geist, the Today Show host, popular member of MSNBC's "Morning Joe," and author of the best-selling American Freak Show--have begun an extended conversation between father and son on areas of mutual interest, agreement, and disagreement. Told in a unique back-and-forth banter style, the hilarious father-son team will laugh together at the shared journey of their relationship. They'll riff on fatherhood, religion, music, sports, summer camp disasters, driving lessons gone horribly wrong, being on TV, and their wonderfully odd family life. Think Big Russ and Me (May 2010, 345,829 net per bookscan) meets S*** My Dad Says, with humorous observations about professional wrestling as a worldview, raising a kid with television cameras in the kitchen, and anything and everything else that comes to their witty minds. The Geists decided to write this book so their children and grandchildren would have a record of their unusual father-son relationship. The book is remarkably funny, as well as poignant and sincere, especially in light of Bill's announcement that he's been diagnosed with Parkinson's. With its lighthearted look at the crazy things fathers and sons go through and the unique bond those experiences forge, the book is sure to be a must-have gift for Father's Day.

"[D]elightful... it is lovely, loving and a must read."?Star-Ledger"A witty memoir."?Parade"I loved this book. It's no surprise the Geists have such broad appeal. I want them to be my dad and brother."?Jim Gaffigan, author of New York Times bestseller Dad Is Fat"Bill and Willie are the wittiest duo I know. Their stories are hilarious. Reading this book made me feel like I grew up a Geist!"?Andy Cohen, host of Bravo's Watch What Happens: Live and author of New York Times bestseller Most Talkative About the Author Bill Geist is the New York Times bestselling author of Little League Confidential, The Big Five-Oh, Fore! Play!, and Way Off the Road. He lives in New York City with his wife, Jody. They have two children and three grandchildren. Willie Geist is the New York Times bestselling author of American Freak Show. He lives in New York City with his wife. They have two children.
